Мастер-класс «Герои сказок»

Выполнила:
воспитатель 1 кв. категории
Типенкова Ю.А.

Серпухов, ноябрь 2019г.

Слово оригами складывается из двух иероглифов:

ОРИ- "бумага" и ГАМИ- "складывание".

Какие способности развивает оригами?

- Развивается способность работать руками, совершенствуется мелкая моторика рук, точные движения пальцев.
- Происходит развитие глазомера.
- Знакомит детей с основными геометрическими понятиями.

- Развивает творческие способности.
- Способствует созданию игровых ситуаций и коммуникативных способностей.

Что нужно для занятий оригами?

- цветная бумага, ножницы, клей.
- овладеть основными приемами складывания;
- знать базовые формы и уметь их складывать.
